

Privacy Policy

Last updated: 02/03/2026

CR Pocket Reference (“the App”) respects your privacy. This Privacy Policy explains how information is handled when you use the App.

Information We Collect

The App does **not collect, store, or share personal information**.

The App does not require account creation, login, or submission of personal data.

Automatically Retrieved Data

The App retrieves publicly available information from external government and reference sources in order to display:

- Marker reference data
- Public PDF updates and notices
- Public tide reference links
- Public contact reference information

This data is downloaded and stored locally on your device to allow offline viewing. No downloaded data is transmitted from your device to the developer.

Location Information

The App displays map markers using coordinates contained in publicly available reference data. The App does **not** access, track, or store your device’s location.

Third-Party Services

The App may open external links, including government and public reference websites. These external websites operate under their own privacy policies. The developer is not responsible for the content or practices of those sites.

Data Storage

Reference data and documents downloaded by the App are stored locally on your device to support offline functionality. You may remove this data at any time by deleting the App.

Data Sharing

The App does not sell, rent, share, or transmit user data to third parties.

Children's Privacy

The App is not directed toward children under 13 and does not knowingly collect information from children.

Changes to This Policy

This Privacy Policy may be updated periodically. Updates will be reflected by the revised date listed above.
